

HELP ANDREW RECOVER AFTER HIS SERIOUS MOTORCYCLE ACCIDENT

I can't believe I'm writing this story.

It's been almost **three months** since my motorcycle accident, and my life has changed in ways I never imagined. Through it all, I'm incredibly grateful to God because I know the accident could have been so much worse.

During the accident, my **left hand was crushed**, and I also suffered **torn hamstrings**, extensive **road rash**, and a **concussion** that has left me with some memory loss. Since then, I've undergone **two surgeries on my hand**, and my recovery is far from over. Every day brings new challenges, but I'm doing everything I can to keep moving forward.

I'm a **Master Diesel Mechanic**, and I've been unable to work since the accident. My hands are the tools of my trade, and without them, I can't do the work I love. Having no income for nearly three months has placed a tremendous financial strain on my family.

The greatest blessings in my life are my **wife** and our **three children**. They have been my strength through this difficult journey and remind me every day why I need to keep fighting.

Our family is blessed to be part of **Navigation Church** in Collinsville, Illinois, where we've found an incredible community of faith and support. I'm also an active member of the church's **Journeyman's Club**, where I've enjoyed building friendships and serving alongside other men who share my faith.

When I'm not working, one of my greatest passions is **restoring old motorcycles**. It's something I've always loved doing, and I look forward to the day when I'm healthy enough to get back into the garage.

Anyone who knows me knows that asking for help isn't easy. Today, though, I humbly ask for your support.

The funds raised will help with **medical expenses** and **everyday living expenses** while I continue healing and work toward returning to the career and life I love.

If you are able to donate, share my story, or keep my family in your prayers, I would be deeply grateful.

Thank you for your kindness, generosity, and support during this difficult season.
