

## HELP BRADY RECOVER AFTER SERIOUS MOTORCYCLE ACCIDENT

My name is **Wesley Moon**, and I'm organizing this for my **good friend, Brady Smith**.

On the night of **April 15th**, Brady and I were just leaving my house to go grab something to eat — something simple that turned into something life-changing.

While riding his **motorcycle** in **Gadsden, Alabama**, a driver **pulled out in front of him**, causing a serious crash.

Brady was **taken by ambulance to the hospital**, where we learned just how severe his injuries were.

He suffered a **shattered wrist**, a **snapped arm**, and **road rash**. He is now in a **hard splint on his wrist**, and everyday tasks have become difficult and painful.

Brady is expected to be **out of work for the next couple of weeks**, which is tough because he takes a lot of pride in what he does.

He works as a **tire and alignment technician** at **Mavis Tires & Brakes**, and he truly loves both the **people he works with** and the **customers he serves**.

Brady has always been the kind of person who is **first to help others**, no matter the situation.

But when it comes to asking for help himself... that's not easy for him.

Right now, he needs support.

With time off work and the cost of recovery, Brady is facing **medical and living expenses** during this difficult time.

If you're able to help Brady — whether through a **donation**, a **share**, or a **prayer** — it would mean more than we can put into words.

Thank you for standing with Brady and supporting him as he focuses on healing and getting back on his feet.

With gratitude,  
**Wesley Moon**☐☐
