

HELP CHRIS (CJ) AND HIS FAMILY AFTER A DEVASTATING ACCIDENT

Hi Everyone,

This is **Gracy English**, CJ's sister-in-law, and I am organizing this crowdfunding campaign on behalf of CJ and his family.

CJ went out for what should have been his **first spring ride**. It was supposed to be a normal day. Instead, it turned into a moment that changed everything for him and his family.

A driver made an **illegal U turn** directly into his path. CJ had no chance to avoid the crash.

The injuries were substantial. CJ suffered a **dislocated shoulder, whiplash**, multiple **abrasions**, and significant trauma to his body. The situation was critical enough that he had to be **life flighted to Loma Linda**.

We are beyond grateful that CJ is **alive** and now **back home**, but he is in **pain**, on medication, and facing a **long recovery**.

CJ is a **General Contractor**. If he cannot work, there is **no income**. Right now, everything has stopped.

C is a **devoted husband to Re'Anna** and an **amazing father** to their two children, Scarlett and Colton. He is the kind of man who shows up for everyone, anytime. A **hardworking provider**, a life-long friend, and a **supporter of the community**. Not only is CJ a very involved sports parent but also donated his time as a volunteer youth cheer coach.

CJ and Re'Anna are the people you call when you need help. They never hesitate. They never

ask for anything in return.

But today, they need us.

The everyday expenses do not stop. Chris cannot work while he heals.

We are asking for your help to support this family during one of the most difficult moments of their lives.

Any **donation**, any **share**, any **prayer** makes a difference.

Please stand with CJ and his family.

Thank you from the bottom of our hearts,
Gracy English ☐☐
