

HELP DANIEL RECOVER AFTER MOTORCYCLE ACCIDENT

My name is **Daniel Carrera**, and I never thought I'd be in a position where I'd have to ask for help like this.

On Monday, April 20th, on my way home, everything changed in an instant.

I was involved in a **motorcycle accident** while making a left-hand turn when I was struck, leaving me with a **broken right leg**.

I was taken by **ambulance to the hospital**, where I remained for **three days** and underwent **surgery on my right leg**.

I've always worked hard to build a better future for myself. I'm currently attending **Los Angeles Trade Tech**, working toward becoming a **diesel mechanic**, while also working as a **cashier** to make ends meet.

Right now, all of that has been put on hold.

Doctors have told me that I will be **out of work and school for several months**, and the road ahead is going to be **long**.

I truly believe that **God was looking after me**, and that I've been given a **second chance at life**.

As a result of this accident, I'm now facing **medical and living expenses** during a time when I'm unable to earn income.

Asking for help is not easy for me, but right now, I truly need it.

If you're able to support me — whether through a **donation**, a **share**, or a **prayer** — it would mean more than I can express.

Thank you for taking the time to read my story and for standing with me during this difficult time.

With gratitude,
Daniel Carrera ☐☐
