

HELP EDDIE SUPPORT HIS FAMILY AFTER MOTORCYCLE ACCIDENT

My name is **Eddie Ocasio**, and I never thought I'd be in a position where I'd have to ask for help like this.

On **April 19th**, I was riding my **motorcycle home from church** — First Church of the Nazarene Shelbyville — when everything changed in an instant.

A vehicle made a **complete turn directly in front of me**, and I had no time to react. I collided with the vehicle and was **thrown off my motorcycle**.

The injuries I've suffered include a **dislocated knee**, a **fractured fibula**, and significant **pain and soreness** throughout my body.

Right now, I'm facing a long recovery.

I'm a **plumber by trade**, and I've always worked hard to provide for my family. Because of this accident, I'll be **out of work**, and even when I return, I'll be on **light duty**, which means **lost income** during a time when my family depends on me the most.

My greatest joy in life is my **fiancé, Brittney, and my five children**. They are everything to me. As the **breadwinner of our family**, any time away from work creates real **financial challenges** for us.

I'm also proud to be part of the Murfreesboro Riders, where we come together to **support and help other riders** in times of need.

I've always been the kind of person who is **first to help others**. Asking for help like this is not

easy for me.

But right now, I truly need it.

The funds raised will go toward **living expenses** while I focus on healing and getting back on my feet.

If you're able to support me — whether through a **donation**, a **share**, or a **prayer** — it would mean more than I can express.

Thank you for taking the time to read my story and for standing with me and my family during this difficult time.

With gratitude,

Eddie Ocasio ☐☐
