

HELP JACOB DEAN RECOVER AFTER A SERIOUS MOTORCYCLE ACCIDENT

Hi everyone, my name is **Matt King** and my very good friend **Jacob Dean** was in a **serious accident last month**.

He was on his way to **work** when the accident happened. While riding his motorcycle, a driver suddenly **pulled out in front of him**, causing a collision that left Jacob with no memory after the impact. He was taken by **ambulance to Huntsville Hospital**, where he began treatment for his injuries.

As a result of the accident, Jacob suffered a **broken left leg, road rash**, and a **concussion**. He has already undergone **surgery on his left leg**, and his recovery will take time.

Jacob is not someone who asks for help. He is the kind of person who is always the **first to show up for others**, always willing to lend a hand whenever someone needs it.

Jacob recently started a new job at **JD's Bar and Grill in Guntersville, Alabama**, and he truly **loves his job**, the people he works with, and the customers he serves. He has been riding motorcycles for **10 years**, and it's something he genuinely enjoys.

Right now, he is facing growing **medical bills** along with **everyday living expenses**, especially since the other driver was **uninsured**.

If you are able to **donate, share this campaign**, or keep Jacob in your **prayers**, it would mean so much to him and everyone who cares about him.

Thank you for taking the time to read his story and support his recovery.
