

HELP JACOB RECOVER AFTER A MOTORCYCLE ACCIDENT

Hi everyone, my name is **Kristi Davis**, and my loving husband **Jacob Davis** was recently involved in a motorcycle accident while riding home from work.

On **March 3rd**, Jacob was less than a block from our home in **Tulsa, Oklahoma** when an **unlicensed driver ran a red light and hit him**. Thankfully, it could have been much worse, but Jacob was injured and taken to the hospital by **EMSA paramedics** to be checked out.

Jacob works as a **diesel mechanic at the EMSA shop**, and he truly enjoys working with the great people there. It was definitely an unexpected moment for him to end up riding in one of the EMSA ambulances instead of working on them.

Jacob suffered injuries to the **left side of his body**, including **severe bruising in his left thigh**, limited movement in his **left knee**, and an injury to his **left arm that makes it difficult for him to lift it above his elbow**. Because of these injuries, he will need to **take some time off work to recover**.

Jacob is the **main provider for our family**, and we are blessed with **seven beautiful children**. Being out of work, even temporarily, is going to make things a little challenging for our family.

Anyone who knows Jacob knows he is **always willing to help others whenever they need it**. Now we're asking for a little support while he focuses on healing.

The funds raised will help with **medical expenses and everyday living costs** while Jacob is unable to work.

If you're able to help, whether through a **donation or simply sharing our story**, our family would truly appreciate it.

Thank you so much for your kindness and support.

Kristi
