

## HELP JAYDEN RECOVER AFTER DEVASTATING MOTORCYCLE CRASH

Hi everyone, my name is **Jessica Lewis**, and I'm **Jayden Kirkendoll's mom**.

The **worst moment of my life** wasn't just getting the call—it was hearing the words no parent is ever prepared for: ***"Your son has been in a serious accident."***

In that instant, **my heart dropped**. Nothing else mattered except one terrifying question—**was my son going to survive?**

By some miracle, **he did**.

But **Jayden's injuries are devastating**.

He suffered **multiple severe injuries**, including **shattered bones in his leg**, a **collapsed lung**, and **serious damage to his wrist and hands**. He has already gone through **several surgeries**—and **more are still ahead**.

Jayden is a **hardworking mechanic** at **American Toyota** who **loves what he does** and the people he works with. He's always been the kind of person who **shows up for others without hesitation**.

Now, **he's the one who needs help**.

Due to the **severity of his injuries**, Jayden is **unable to work**, and the **financial burden is overwhelming**. **Medical bills, ongoing surgeries, rehabilitation, and everyday living expenses** are quickly adding up.

We are asking for your **support** during this incredibly difficult time.

Any donation, no matter the amount, will go directly toward **Jayden's medical care** and helping him get through the **long road to recovery**.

If you're unable to donate, please consider **sharing this page**. That alone can make a **meaningful difference**.

Thank you for your **love, support, and prayers**.
