

HELP JONATHAN REBUILD HIS LIFE AFTER LOSING BOTH LEGS IN AN ACCIDENT

On **July 4, 2025**, my life changed forever.

I was involved in a serious accident in Louisiana that left me with injuries I never could have imagined. I ultimately **lost both of my legs** and suffered devastating damage to my right arm and elbow.

I spent about **a month in the hospital**, and since the accident I have undergone **13 surgeries**. Doctors had to rebuild my right arm, and my recovery has required me to learn how to live an entirely different life.

Before this happened, I spent **15 years driving trucks**. I was used to working, traveling, earning my own living, and taking care of myself.

I have not been able to return to work since the accident.

I am a father of **three children**, and I am engaged to an incredible woman named **Jazmyne Reney**. She has been there taking care of me throughout everything I have been through, and I cannot put into words how grateful I am for her.

I have also spent years riding and building friendships throughout the motorcycle community. I know people across the country, and that community has always meant a great deal to me.

This accident took my legs, but it did not take who I am.

I am still myself. I am still here. And I am determined to keep moving forward.

My accident and recovery were also covered by **WAFB Channel 9 News in Baton Rouge**. If you would like to learn more about what I have been through, you can read their coverage here:

Funds raised through HelpVy will help with **my medical and everyday living expenses** as I continue recovering and work toward creating a stable, independent future for myself and my family.

If you are able to donate or share my story, I would be deeply grateful.
