

## HELP JOSEPH RECOVER AFTER A SUDDEN CRASH AND GET BACK ON THE ROAD

Hi everyone, my name is **Elise McWhorter**, and I am **Joseph Liechty's mom**.

I'm reaching out today because my son **Joseph** was involved in a **car accident on March 11, 2026**, in **Tucson, Arizona** while driving to **work near Silver Bell Road**. Another driver traveling in the opposite direction suddenly attempted to make a **U-turn directly in front of him**, leaving Joseph with **no time to avoid the collision**.

Joseph was taken by **ambulance to the hospital**, where he remained for **about six hours** receiving treatment. As a result of the crash, he suffered a **broken left big toe**, along with **cuts and scrapes, bruising to his left knee, right hip, and the back of his left shoulder**, and soreness in his **ring finger**.

Joseph works as a **lot attendant at Lifted Trucks in Tucson**. He has always been a **hardworking and dependable person** who takes pride in what he does. He has been **married for nine years to the love of his life**, and he enjoys **riding with his friends** whenever he gets the chance.

Unfortunately, the accident has left Joseph **without transportation**, which makes it very difficult for him to **get to work and handle everyday responsibilities**. On top of that, he is now facing **unexpected medical bills** from the accident.

Joseph has always been the kind of person who is **willing to help others whenever they need it**. Now he finds himself in a position where **he truly needs help from others**.

We are asking for support to help cover **Joseph's medical expenses** and to help him **purchase a vehicle so he can get back to work** and begin moving forward after this accident.

Any support, whether through a **donation** or by **sharing Joseph's story**, would mean so much to our family. Thank you for taking the time to read this and for any help you can provide.

**Elsie McWhorther**
