

HELP JUSTIN RECOVER AFTER HIS MOTORCYCLE ACCIDENT

My name is **Justin Fleming**, and I never imagined I would find myself in a position where I needed to ask for help like this.

On **May 7th**, I was on my way to **work** when I was involved in a **motorcycle accident**. A vehicle pulled out in front of me while I was riding on the highway. I locked my brakes trying to avoid the collision and ended up sliding across the roadway.

I was taken to the **emergency room** with severe **road rash** on both of my arms and across my back, along with a **broken heel** and injuries to my **right ankle**. Since the accident, I have been having a very difficult time with **walking, lifting**, and handling normal everyday activities. Doctors have also scheduled additional **medical imaging** this week to determine the full extent of the injuries to my right ankle.

I have been riding motorcycles for over **30 years**, and riding has always been something I truly love. Some of my favorite memories have been riding with my **friends and family**, and I have always enjoyed **customizing bikes** and making them my own.

I work hard as an **engineer with Norfolk Southern Railroad**, and I am also a proud member of **SMART UTU 0772**. I truly love my job and the people I work with. Providing for my family has always been my top priority. I have a wonderful **wife** and **two children** who mean everything to me, and being the **breadwinner** of our household makes this situation even more stressful.

Truthfully, I feel uncomfortable asking people for money because I have always tried to handle things on my own. But with medical expenses piling up and being limited physically after this accident, I know I need help getting through this difficult time.

As a result of my injuries, I am asking for support with **medical bills** and everyday living expenses while I recover and work toward getting back on my feet.

If you are able to **donate**, share my story, or keep me in your **prayers**, I would sincerely appreciate it more than words can express.

Thank you for your kindness, support, and generosity during one of the hardest moments of my life.
