

HELP KEITH REBUILD HIS LIFE AFTER A SERIOUS ACCIDENT

My name is **Keith Kramer**, and I am organizing this **HelpVy campaign** after a serious accident on Monday, May 11th, 2026 left me with injuries that continue to affect my life nearly six months later.

I was heading home after a great day at work when the accident happened. I suffered a broken left tibia, torn tendons in my left shoulder, and an injury to my chest.

My leg injuries required surgery, including screws and an external fixation device that remained attached to my leg for seven weeks. It was an incredibly painful experience, and the recovery has been much longer than I ever expected.

Even now, I struggle to walk up and down stairs or carry things. These are everyday activities most people don't think twice about, but they remain difficult for me.

Before the accident, I worked as a tree climber and trimmer, primarily with **Hawkins Tree Service**. My job involved climbing trees using ropes and pulleys, often working in places where heavy equipment couldn't reach. I enjoyed the work, but with my leg and shoulder injuries, returning to that profession is no longer something I can safely do.

I've been looking into other types of work, but finding a new profession takes time, especially while I'm still recovering.

My family means everything to me. My girlfriend Riley has stood by me throughout this difficult recovery, and I'm grateful for her support. I also have three children and our dog, Freedom.

I've always enjoyed riding and have participated in charity rides supporting wounded warriors.

Asking for help isn't something I've ever been comfortable doing, but this accident has changed so much.

I've already taken out a loan to help cover expenses while I've been unable to work, and those funds have now been exhausted.

Funds raised through HelpVy will help with my medical and everyday living expenses, including property taxes and other essential bills, while I continue recovering and work toward finding a new way to earn a living.

If you are able to donate or share my story, I would be incredibly grateful.
