

HELP LARRY HEAL AFTER DEVASTATING ACCIDENT

Hi everyone, my name is **Diane**, and I'm organizing this fundraiser for **Larry Cole**, a loving man whose life was changed in an instant by a devastating motorcycle accident.

On **March 20, 2026**, Larry was riding his motorcycle on US Highway 78 in Alabama when a truck failed to yield while making a left turn and struck him. The impact was severe—Larry was thrown nearly 20 yards from his bike.

He suffered multiple serious injuries, including **compression fractures in his spine and a broken neck in five places, along with fractures to his shoulder and hip, and additional pain and bruising throughout his body**. He was transported by ambulance and treated at the hospital, but this is only the beginning of what will be a **long road to recovery**.

Larry is a **hardworking man who works at WKW**, a car parts manufacturer. He truly **loves the people he works** with and takes pride in what he does every day. More importantly, Larry is always willing to help others—he's the kind of person who shows up when someone is in need without hesitation.

Right now, Larry needs our help.

Due to the severity of his injuries, he will be unable to work for some time and is facing overwhelming medical expenses, ongoing rehabilitation costs, and everyday living expenses while he focuses on healing.

Any donation, no matter the amount, will make a meaningful difference as Larry focuses on healing. If you're unable to give, please consider sharing this campaign. Your support, prayers, and kindness mean everything during this difficult time.

With gratitude,

Diane Dreibelbis ☐☐
