

HELP MATTHEW HEAL AND RECOVER AFTER A MOTORCYCLE ACCIDENT

My name is **Ashley Chrzanowski**, and my loving husband **Matthew Meek** was in an accident last week.

On February 9, 2026, another driver suddenly made a left turn directly in front of Matthew, giving him no time to avoid the collision. What started as a normal day quickly turned into one of the scariest moments our family has ever faced. Matthew was rushed to the hospital, where he remained for two days. He suffered a **broken left wrist** along with **painful bruising**, and he had to **undergo surgery on his wrist**. Watching him go through surgery and seeing him in so much pain has been heartbreaking.

Since coming home, he has been struggling with daily tasks. He has a hard time lifting his leg, and even the simplest movements cause discomfort. The road to recovery is going to take time, patience, and continued medical care.

Matthew works at **RideNow Powersports Phoenix**. He is a hardworking, dedicated man who takes so much pride in providing for our family. He is the breadwinner of our household, and everything he does is for us.

Together, we have **three beautiful children who adore their dad**. They are used to seeing him active, playful, and full of energy.

Right now, they see him in pain and limited in what he can do, and it's been incredibly hard on all of us emotionally. With Matthew struggling to work during this beginning part of his healing journey, we are **facing mounting medical bills along with everyday living expenses**.

We are asking for help during this difficult time. Any support will go directly toward Matthew's

medical expenses and helping our family cover essential living costs while he focuses on healing and getting back on his feet.

From the bottom of my heart, thank you for your prayers, kindness, and generosity. It means more to us than words can express.

Ashley ☐☐
