

HELP MICKY HEAL AFTER DEVASTATING TEXAS CRASH

My name is **Joe Garcia**, and I'm writing this with a **heavy heart** about my wife, **Micky**.

The **worst moment of my life** was seeing her lying on the ground after the accident... **not moving**. For a split second, I truly thought I had **lost her**. That feeling is something I wouldn't wish on anyone.

Micky and I were just **married in August 2025**. We were so excited to start this next chapter together, and this trip was supposed to be a **simple, happy memory** — a **three-day mini vacation**. We were in **Hondo, Texas**, about **30 miles outside of San Antonio**, looking forward to riding the **Twisted Sisters**.

Instead, our lives changed **in an instant**.

Micky was at a **red light**, waiting to make a left turn. When the light turned green, traffic began to move. But out of nowhere, another driver **ran the red light** and **violently T-boned her**.

The impact was **devastating**.

Micky suffered **multiple serious injuries**. She is **still in the hospital**, in a **neck brace**, and awaiting an **MRI** for her left shoulder. She has a **fractured scapula**, a **broken rib**, and **multiple fractures** throughout her right leg. Her **right knee is severely injured**, and she **cannot bend it**.

Seeing her in this condition is **heartbreaking**.

But if you know Micky, you know she is **strong**.

She is one of the most **kind-hearted** and **uplifting** people you will ever meet. No matter what

she's going through, she always finds a way to stay **positive** and **help others**.

Micky serves as the **Texas State Director** for the Freedom Cruisers Riding Club, where she dedicates her time to **giving back**. She and her fellow riders support countless causes — from helping **veterans** and **wounded warriors**, to **breast cancer awareness**, to **toy drives for children**.

She has spent her life **showing up for others**.

Now, she needs others to **show up for her**.

Micky is **self-employed** and runs **Illusion Property Management**, where she manages HOAs. Because of this accident, she is **unable to work**, and her **income has come to a sudden stop**.

Her road to recovery will be **long**, and the journey ahead will **not be easy**.

We are now facing **overwhelming medical expenses**, along with the stress of **everyday living costs** during her recovery.

We are asking for your **help** during this incredibly difficult time.

Any support — whether it's a **donation**, a **share**, or a **prayer** — means the **world** to us.

Thank you for **standing with Micky** as she begins this **long road to recovery**.

With gratitude,

Joe Garcia ☐☐
