

HELP R.J. RECOVER AFTER HIS SERIOUS ACCIDENT

My name is **Cat Fick**, and I am organizing this campaign for my husband, **R.J. Fick**.

Last Thursday, R.J. was discharged from the **hospital** after being involved in a hit and run **motorcycle accident**. We are incredibly grateful and blessed because we know this accident could have been so much worse.

On April 24, 2026, R.J. was involved in a **hit and run** while riding his 2018 Harley Davidson Street Glide. He suffered a **broken right foot** that required surgery with plates and screws, severe **road rash**, and a major flesh injury on his lower right side that required doctors to remove an area nearly the size of a football. He is currently recovering with a **wound vac** and still has a very long road ahead of him.

R.J. is a loving, hardworking, amazing **husband** and father of **two grown sons**. He is also a proud grandfather to our precious **two and a half month old twin grandbaby boys**, who already bring so much joy to the family.

If you know R.J. then you know he would give the **shirt off his back** to help anyone in need. He is the absolute last person to ever ask for help himself.

R.J. works as a heavy haul **driver**, but because of the severity of his injuries, doctors have told us he will likely be unable to work for at least **two to three months**. The loss of income along with mounting **medical bills** and daily living expenses has placed a tremendous amount of stress on our family.

If you are able to **donate**, share this story, or keep R.J. in your **prayers**, we would be so deeply grateful.

Thank you from the bottom of our hearts for your kindness, love, and support during this difficult time.
