

## HELP RICK RECOVER AFTER A SERIOUS MOTORCYCLE ACCIDENT

I can't believe I'm writing this.

My name is **Regina Walker**, and I'm organizing this campaign for my boyfriend, **Rick (Richard) Day-O'Conner**.

The **worst call you can get** is finding out that someone you love has been in a **serious accident**. That's exactly what happened on **Friday, April 17th**, when Rick went out for a **motorcycle ride**.

Rick was involved in a crash that left him with **serious injuries**, including a **broken right shoulder, broken ribs, a laceration on his left forearm requiring 28 stitches**, and extensive **road rash**. He is scheduled to undergo **shoulder surgery today**, which is expected to be a major procedure.

Rick is one of the most **loving and hardworking** people I know. He always does everything he can to **take care of me** and the people around him. He's an **animal lover** with a huge heart, and I've seen him go out of his way to help **homeless individuals with dogs**, making sure they have what they need.

He is the kind of person who is always the **first to help others**, but someone who has a very hard time **asking for help himself**.

Rick is a proud member of the **MT. St. Helens M/C**, and riding has always been a big part of his life and community.

Right now, he is unable to work, and the **medical bills** along with **everyday living expenses**

are quickly becoming overwhelming, especially with a surgery of this magnitude ahead.

If you are able to **donate**, **share his story**, or keep Rick in your **prayers**, it would truly mean so much to both of us.

Thank you for taking the time to read this and for any support during this difficult time.
