

HOPING WE CAN HELP ANNIE AFTER HER TRAGIC ACCIDENT

My name is **Kelsey Titterington** and my close friend **Annie Thomas** was in a tragic accident two weeks ago.

On **January 20, 2026**, Annie was leaving my house when her life changed in an instant. She was involved in a serious motorcycle accident that left her with multiple severe injuries sending her on a long, difficult road to recovery.

Annie is a proud **U.S. Air Force veteran** known for her selflessness. She has always been the kind of person who shows up for others without hesitation whether that is through donating to the local food bank, helping care for cats in need, or supporting anyone who needs a helping hand. Annie's heart has always been bigger than her circumstances, as someone who has always lived by her kindness and generosity.

Annie is an avid motorcyclist and loves the freedom of the open road. She rides her motorcycle with our tight-knit group of friends known as the **Wheelie Weenies**. Riding isn't just a hobby for Annie, it's her community, her stress relief, and her joy (other than her 7 cats back home).

Right now, Annie is facing the hardest challenge of her life. After undergoing surgeries on multiple locations on her body, she has been transferred to a **rehabilitation center**, where she is currently **relearning how to walk**. She will be unable to work for **at least 3 months**, and during this time, medical bills and everyday living expenses are quickly piling up. Unfortunately, rent, utilities, food, transportation, and basic necessities don't stop just because life does.

We are raising funds to help Annie cover her **day-to-day living expenses** while she focuses on healing, rebuilding her strength, and getting back to the life she loves. Any support, whether through a donation or just by sharing this page means more than words can ever express.

Annie has spent her life helping others and now, she needs our help. Please share and donate if you are able.

Kelsey
