

## TIM HAUS SURVIVED A SERIOUS CRASH — NOW HE NEEDS OUR HELP

My name is **Zac Finders**, and I'm starting this **HelpVy crowdfunding campaign** for my cousin, **Tim Haus**.

This past Sunday, Tim was involved in a serious multi-vehicle motorcycle accident that has left him hospitalized with significant injuries. What started as a normal day quickly turned into something life-changing.

Tim has already **undergone one surgery, and more procedures are still ahead**. He suffered a **broken leg, a partially collapsed lung, broken rib, and severe trauma to his foot**. The road to recovery will be long, and he is facing a very difficult journey ahead.

Tim is a husband, a hardworking man, and someone who truly values his family. He had been looking forward to visiting his daughter in Italy next month, something that meant a great deal to him. Unfortunately, that trip is no longer possible as he now focuses on healing.

As a result of his injuries, Tim will be unable to work for some time, creating a sudden and overwhelming financial strain during an already challenging situation.

I'm asking for your support to help Tim get through this.

Any contribution, no matter the amount, would mean more than words can express. Even sharing this campaign can make a meaningful difference for Tim and his family.

Tim is strong, and we know he will fight to recover, but he shouldn't have to go through this alone.

Thank you for taking the time to read this and for any support you can provide.

With gratitude,  
Zac Finders ☐☐
